

CSA HYDERABAD PROVINCE – EDUCATION COMMISSION

Monthly report of Activities of the school

Month: June

School /place: ST .JOHN'S E/M HIGH SCHOOL,KARIMNAGAR

Academic year:2024-25

Name of the Headmistress: Sr. P. INNALU

I. Moral value of the month: "Punctuality ".

- Punctuality is the respect to yourself and to others. Punctuality is not just about being on time but it is giving respect to yourself and to others time.
- Students delivered speeches ,quotes stories every day in the assembly on the month's moral value.

Assembly Activities : "School a temple of learning ,a gateway to gain knowledge".

Reopened after the summer vacation on 1st June for the academic year

2024-25 for all the staff and students of class X.

"The first day of the school"

The academic session for the year 2024-25 began on 12th June 2024 for all the classes with new hopes, new zeal and new aspirations, started with the invocation and blessings of the Almighty in the general assembly ,later our honourable Superior. Rev Sr. Vijaya Mary was bestowed a cordial ,floral welcome by staff & students.

Our respected Principal then addressed the school, wishing a warm welcome. Sister instructed the school to follow the rules & regulations & be punctual.

Sister also appreciated & congratulated all the students for the outstanding results. 1-10 GPA,6-9.8 more than 45 -9 and above.

Our honourable Superior in her brief speech wished & blessed a faithful and successful year ahead.

II. Academic activities:

From 3rd entrance examinations for new admissions are conducted.

On 5th & 6th verification of the attendance & admission register by all the staff was done.

On 26th Updation of students promotion in **UDISE** was completed.

On 29th pre primary & primary students had no bag day .On that day students had a school tour & recreation on activities where they were taken to different blocks of the school and to the Sr's chamber, office, labs, library, staffroom and different courts in the play ground, swimming pool, K.G ground, etc

Children had a new experience and enjoyed a lot their enthusiasm had no boundaries as they entered the campus without bags on that day.

1. **Club meeting held:** "It is the supreme art of the teachers to awaken joy, creative expression & knowledge in the students".

On 3rd, 4th & 14th June all the staff assembled in subject-wise clubs and discussed about the planning & execution of syllabus, activities, projects and assessments etc. and all the teachers received their year plan & teaching diaries.

2. **Test and examinations conducted :**

Nil.

3. **Eco club activities:** "World Environment Day."

Caring and conserving The natural resources has become the primary need of the hour ,as part of the world environment day on 5th June the students delivered speeches on save nature – save biodiversity.

And all the bulletin boards were decked with slogans and captions on conservation of natural resources.

III. **Conversation classes:**

“New initiatives” of the year 2024 -25

Equipping the children with the skills requisite for the real world is a major task of education. At St .Johns we believe that in the changing dynamics of the world, inclusive of language lab & e- library, not only upgrades the proficiency of the upcoming generations but also Increases their perspectives. Keeping this in view the students are exposed to new learning environment through language labs, e-library & panel board etc ,is a new initiative to be appreciated.

IV. **Reading practice:**

“Reading should not be presented to children as a choice or duty it should be offered as precious gift to them.”

Nourishing a love for reading in students Our headmistress insists on following these steps

- Reading an excerpt from any book in assembly.
- Every period before beginning the class all should read.
- Reading library books, improves the other language skills LSRW.
- Buy a story book on birthday's and read.
- Create opportunities for more reading from primary level itself.

V. **Counseling classes for children:**

Nil

VI. **Meditation:**

Nil

VII. **Literary &cultural activities conducted :**

“competitions are the fuel that ignites innovation”

Literary –caption contest for primary, middle & high school

Cultural –singing competition (solo) were conducted as per the dates in school diary.

Children were very enthusiastic to participate in pre first competitions at school level for this academic year

VIII. Training programmes/seminars /workshops attended:

For children:

Students of class X had an orientation class on joyful and smart learning through language lab for 2 days on 4th & 5th.

For teachers:

“When we are in the presence of the Almighty prayers go up and blessing come down “.

- The teaching and learning process for teachers began with the holy mass offered by Rev Fr. Alex ,on 11th June in the auditorium. Rev. Fr. enlightened the qualities, a teacher should be, endowed with for a prosperous education.
“A Teacher is a constant learner first”.
- An orientation session for all the staff on, the usage of language lab, was conducted by the resource persons Mr. Rajinikanth And Mr. Naresh .which was an enriching time to learn about the smart and easy techniques of learning language &usage of grammar.

- An inspiring and motivational session on effective, qualitative education a to uphold the legacy of the institution our co-ordinators Mrs. M. Christe & Mrs. Y.Malleshwari have drawn the attention of the new &senior staff by highlighting the qualities a teacher of St. Johns should possess and encouraged every one to face the challenges with ease .

“It is only the teachers who can make a difference in the life of a student”.

- On 7th June 2024 our management has hosted a workshop on effective innovative teaching strategies”. Dr. Ibrahim Khaleel research personal of PROBE schooling research center was the resource person.

- The workshop was so empowering that we need to renew ourselves from the traditional teaching to techie & trendy modes of teaching and learning, focusing on interactive diagnostic teaching strategies.
- The highlights of the workshop to be focused on were.;
- The exposure of the students to medium of the instruction is nil /negligible than mother tongue.
- A teacher should first diagnose and treat every child according to his/her needs.
- A teacher is not just a facilitator but should be a personal teaching practitioner, following the KYC-know you child & KYT- know your teacher.
- A teacher should build a foundation for the student through concept and content development from day one, for the outstanding results and outcome
- Language exposure:—where to begin—remember “ESPMUG “Everyword, Spelling Pronunciation , Meaning ,Usage ,Grammar. if we follow this order definitely students can learn all the skills of language.

- On 13th &14th a training session on the efficient &effective use of panel board was conducted by Mahesh Panel board instructor, which was so practical &very effective.
- On 26th a training session on the Prajna portal of St. John’s, its installation & usage was conducted by Mrs .Elizabeth teacher.

IX. Celebrations:

- On 2nd June Telangana formation day was celebrated by hoisting the flag.

- On 5th world environment day was celebrated caring & conservation of the June natural resources has become the primary need of the hour on the day an aura of awareness was created by delivering motivational speeches in the assembly on Save nature –Save biodiversity.

“Education outside the classroom is Games &Sports.”

- On 21th June international yoga day was celebrated the physical educational trainers conducted warm up exercises for all the classes in the K.G ground. The students & teachers had a relaxing time that rejuvenated the body & mind outside the classroom. Speeches on importance of yoga were delivered in the assembly by high school students.

X. Staff meeting conducted :

- On 11th June we had staff meeting in the library for all the staff .
- After the formal invocation through prayer song ,scripture reading by staff, with the prayer by H.M Sister the first staff meeting for the academic year 2024 -25 was initiated.
